2011 Winter/Spring Application

January 24, 2011 – June 11, 2011
PERFORMANCE

The West Rock Performance Program is designed for the players who have acquired the solid technical skills and aspire to be competitive at tournament or high school levels. Focus is on advanced stroke production, specialty shots, and "tennis" specific movement and agility. Match play will be part of this program. In contrast to traditional drill camps for this level player, West Rock's curriculum is about building a solid foundation for all technical skills, creating confidence in those skills and developing intelligence for the game.

Evaluation by our Professional Staff is required. Contact the Club to set up your Evaluation.
